

**Our Vision**

Bunge is dedicated to achieving a zero-incident culture by integrating safety into all locations and businesses through a process of continuous improvement.

**Our Commitment**

The prevention of fatalities and serious life-altering injuries of employees, contractors and visitors is the foundation of this policy. All of our processes, products and services meet, or exceed, all applicable safety and health regulations.

**Our Principles**

- No work is so important or urgent that it cannot be performed safely.
- We always put safety ahead of profit and production.
- We act swiftly to eliminate or control all high potential exposures.
- We are guided by the Bunge Safety Management System.
- Safety performance is a key indicator of organizational excellence.
- All levels of management and supervision are accountable for demonstrating proactive safety leadership.
- All employees are provided with the knowledge, skills and resources necessary to perform their job safely.
- Each individual working on our sites is responsible and accountable for their own safety and the safety of others.
- We promote off-the-job safety and wellness for our employees and in the communities where we work.
